

The MedicAlert Mission

MedicAlert Foundation is a nonprofit membership organization dedicated to helping save lives in emergency situations. MedicAlert is the nation's leading emergency medical information service. As part of their lifesaving mission, making sponsored memberships available to individuals unable to afford the cost of membership. The significant cost of providing these memberships is funded from donations from individuals and corporations.

Eligibility and Nomination Process

Any person who is at risk due to a medical condition, allergy, medication or special need may clearly need the protection of a MedicAlert membership but may not be able to afford the fee.

To receive a free sponsored membership simply fill out the membership application and mail to Sponsored Memberships, c/o MedicAlert 2323 Colorado Ave., Turlock, CA 95382. For further information please contact, Aurora Al-Klass at (800) 432-5378 ext. 2492 or (209) 669-2492.

Program Limitations

As a non profit organization, MedicAlert Foundation reserves the right to modify this program to assure fairness in its implementation as well as adequate annual funding. Although MedicAlert Foundation's intent is to extend sponsored memberships to anyone who needs our emergency medical information service but can not afford it, the number of memberships sponsored annually must be limited to the resources available from donations received on behalf of this program.

Providing Services To Those In Need

We encourage our members and others to contribute to this special program to help individuals who need protection of membership in MedicAlert but just do not have the financial capability to pay for membership themselves. If you know of a corporation that might sponsor MedicAlert memberships for patients, please let us know. An emergency can happen to anyone at anytime, and the generosity of donors in sponsoring these memberships allows MedicAlert Foundation to expand this vital program.

Membership Benefits

Upon approval of the application, the applicant will become a MedicAlert Member. The new member will receive the benefits of membership. Access to the information by the member or emergency response personnel is available 24 hours a day through the Emergency Response Center.
